OUR REF: AIPS/26/35

1 April 2026

Dear Parents / Guardians (Our Valued Partners-in-Education),

Here are some updates for April 2026:

1. International Friendship Day (IFD) 2026 - Singapore: Forging Friendships in a Complex World

Schools commemorate International Friendship Day 2026 with the theme 'Singapore: Forging Friendships in a Complex World'. The rapidly evolving global landscape offers Singapore both opportunities and challenges. International cooperation remains vital for us to address global issues collectively and seize new opportunities.

This year, AIPS will commemorate IFD on Friday, 10 April, with recess fringe activities. There will be a special assembly programme on Tuesday, 7 April. By fostering an appreciation of different cultures and perspectives, students will be better equipped to contribute to a cohesive and globally connected society. Our youth can forge meaningful connections with our neighbours and help Singapore to remain relevant in a complex world. In addition, they can embrace openness and opportunities for international cooperation, while deepening their understanding of Singapore's geopolitical realities and national interests.

2. Class Photo-Taking Session – 17 April 2026

All students are reminded to be in their full school uniform for their photo-taking session on Friday, 17 April.

3. Student Health Screening

The Health Promotion Board (HPB) will be visiting our school for the yearly health screening from **23 April 2026 to 4 May 2026**. As part of the Grow Well SG (GWSG) initiative, P1-P5 children will receive a Health Plan as part of HPB's screening. To prepare your child/ward for the health screening, kindly ensure the following:

- Remind them to eat a good breakfast and drink water.
- If your child wears glasses or contact lenses, remind them to bring these along.

4. Student Attendance and Student Name Tags

Thank you for continuing to ensure your child's/ward's daily school attendance. Regular school attendance plays a key role in enhancing students' social skills and promoting steady learning progress. If your child/ward is unwell, please submit a medical certificate to their Class Mentor upon their return to school. For valid and extenuating circumstances, up to 10 parents' letters may be submitted each year.

We also seek parents' support in ensuring that all students have their name tags ironed onto their school uniforms and PE shirts. This is part of the school uniform and helps strengthen your

child's/ward's sense of belonging in school. If you need to purchase more name tags, you may order them via this website <https://www.euniforms.com.sg/nametag/>.

5. Public Holiday – Good Friday

Good Friday falls on 3 April 2026. School will be closed and we will see the students back in school on Monday, 6 April 2026.

We thank you for your strong partnership with us in your child/ward's primary education journey. We look forward to working closely with you to bring out the best in your child/ward. Together let us develop and nurture our students with good values, attitudes and mindsets for excellence to prepare them well for the future.

Yours sincerely,
Ms Baey Ee-Lyn
Principal
