

## **Ushering the Year of the Rat@AIPS**

AIPS celebrated Chinese New Year on 24 January. The day started off with CNY classroom activities in class where the teachers shared about Chinese New Year facts with their students. Lower primary students then embarked on a coloring competition and the upper primary students were engaged in a CNY class quiz to win tokens.

Teachers and students then adjourned to the school hall for the CNY concert with the Lion Dance performance being the main highlight and favourite of the day. There were also stellar performances put by the Chinese Dance, Choir and Harmonica which mesmerized the crowd.

Last but not least, the whole school got up on their feet and did a Rat Year mass dance led by adorable Primary 1 students and Mdm Sandra Ang. Combined with the pre-CNY song singing during music lessons and pre-CNY art activities conducted during art lessons, the CNY celebrations was an exciting and enjoyable one for the students and staff.

Through the host of memorable activities, the students learned & appreciated Chinese traditions when they celebrated this special day with their schoolmates and teachers.
